

Specializing in the treatment of Orthopaedic conditions with a specialization in the management and treatment of upper and lower extremities including hands, shoulder, knee and elbow injuries. Dr. Serocki is conservative in his treatment style and maintains a focus on effective and proper patient care with attention to the needs of both

the injured worker and the employer. Dr. Serocki has advanced training in hands, knee and shoulder injuries. Because of his advanced training and expertise, he is able to outline an effective treatment plan for the patient and to provide superior patient care with optimal outcomes and minimal lost productivity.

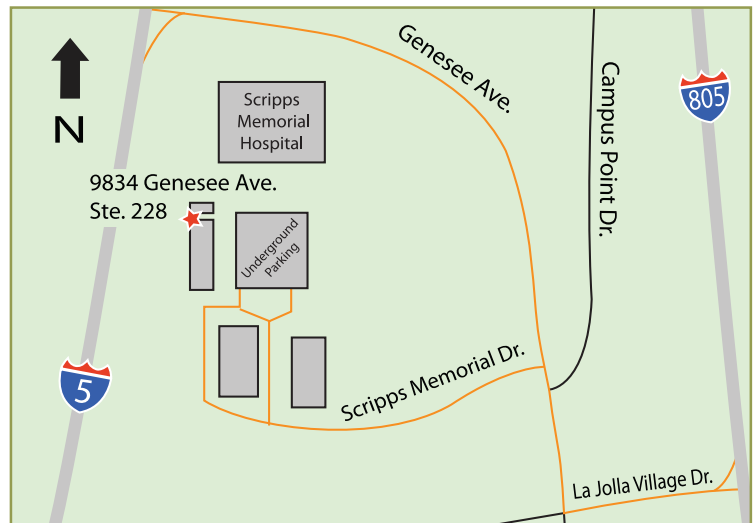

John H. Serocki, MD board certified by the American Board of Orthopaedic Surgery and is Fellowship trained in Hand Surgery, Adult Joint Reconstruction and Sports Medicine and specializes in knee and shoulder arthroscopy, general orthopedics and hand surgery. Dr. Serocki received his Doctor of Medicine from Northwestern University School of Medicine and completed his five year residency in Orthopaedic Surgery at Los Angeles County Medical Center. Dr. Serocki's primary medical interest include shoulder and knee arthroscopy, hand reconstruction and total joint replacement.
